GRADUATE CIVIL ENGINEER

Salary 22.5k to 25k plus benefits

Based in Havant

We are one of the leading water companies in England and Wales in terms of operating efficiency and service to its customers. To further improve our overall performance we are looking to recruit a Graduate Civil Engineer.

The Investment Department is responsible for the delivery of the Capital Programme and the successful applicant must be able to demonstrate willingness to assist in the preparation of project feasibility studies and reports, preparation of estimates, designs, specification and contract documentation, and be capable of supervising works on site. A positive proactive approach to health and safety is essential building on our recent RoSPA's Presidents Award along with a full UK driving licence.

The position will suit those currently working towards their professional review. They should be qualified to degree level, and have experience of working in an engineering department.

Our values of Excellence, Integrity and Respect are important to us and underpins everything we do. The successful applicant will be expected to always work in line with these values and continually promote them throughout the business.

Applicants should send a CV with 2 referees outlining salary expectations.

Apply to: Ian Limb, Head of HR, PO Box 8, Havant, Hants PO9 1LG
