MAINS AND SERVICE LAYER

Salary - £19,695 to £22,554

Based in Havant

We are looking to recruit a Mains and Service Layer to work throughout our area of supply. Duties of a Mains and Service Layer include the laying of New Services, Mains Repairs, Stopcock Renewals and Service Repairs. Full participation in a standby rota is mandatory.

The successful applicant will ensure that all the work is carried out in line with our procedures in full compliance with all H&S and TMA which is given the highest priority. In addition, these duties must be carried out at all times in line with our values of Excellence, Integrity and Respect.

The successful applicant will have a full driving licence, and possess both the appropriate New Roads and Street Works qualification and Water Hygiene card or undertake and successfully complete the training provided to obtain the qualifications.

For an informal discussion please contact Chris Knight on 023 9224 9220.
