CONTRACTS SUPERVISOR

£28.5k to £31.6K

Based in Havant

We are looking to appoint a Contracts Supervisor who will work collaboratively with our Term Service Contractor to deliver mains renewal, developer services and meter installation programme of the works in accordance with the relevant Health & Safety, Environment and Quality requirements. It is important that work is delivered in line with the agreed contract whilst always delivering excellence to our customers, ensuring H&S is the number one priority at all times.

The successful applicant will have excellent communication, organisation and IT skills with a desire to deliver excellent customer service in line with our values of Excellence, Respect and Integrity. The ability to work collaboratively both within the Company and with the Contractor is an essential ingredient for the successful applicant.

Knowledge and experience of engineering and mainlaying practices is desirable but not essential and a full UK driving licence is required.

For an informal discussion please contact Alan Moore, Senior Contracts Engineer.

Applicants should send a CV outlining current salary with 2 referees.
