

*Delivering excellence for our customers,
our people and our environment*

**Portsmouth
Water**

WATER REGULATIONS ADVISOR

Salary £23k to £25.7k

Dependent on experience and successfully gaining their Water Regulations qualification

Based in Havant

.....

Candidates will need to be customer focused and able to work to a consistently high standard. Typical duties will include liaising with site developers, accurately estimating new services and inspecting all installations before a final handover package can be passed to the mains and services department. An additional key responsibility includes the water regulations inspection of industrial premises and ensuring compliance is achieved in a timely manner.

The successful applicants will have excellent communication, organisation and IT skills along with a pro-active approach to H&S and work at all times in line with our values of excellence, respect and integrity. Engineering or plumbing knowledge is desirable but not essential as full training will be provided.

All applicant must have a valid Driving Licence.

For an informal discussion please contact Matt Davies, Leakage & Water Regulations Supervisor on 023 9224 9258.
