CIVIL ENGINEERING UNDERGRADUATE PLACEMENT

Salary up to £20K

Based in Havant

The Company are looking to appoint a civil engineering student on a placement of approximately 12 months to assist the Infrastructure Department.

The Infrastructure Department is responsible for the delivery of £30 million Water Mains Renewal, Developer Services and Meter Option Programmes. The successful applicant must be able to demonstrate willingness to assist in planning and preparation of works designs, specifications, material and cost estimates as well as customer communication. A pro-active approach to health and safety is essential along with a full UK driving licence as well as the ability to carry out their duties at all times in line with our values of Excellence, Integrity and Respect.

The position will suit those currently working towards a Civil Engineering degree and will give practical exposure to the demands of working within a utility engineering department.

For an informal discussion, please contact Alan Moore, Contracts Engineer on 023 9224 9318.

Applicants should send a CV with 2 referees.

Apply to: Ian Limb, Head of HR, PO Box 8, Havant, Hants PO9 1LG
