

## **GIS Opportunities at Portsmouth Water**

### **BASED IN HAVANT**

Portsmouth Water is one of the leading water companies in England and Wales, consistently being ranked first in the industry for customer service over the past 3 years and at the same time delivering the lowest customer bills, showing our commitment to continually improvement in both technology and performance to meet the needs of our customers.

## **Trainee GIS Technician**

**SALARY £15,825 - £18,165**

Working in the Investment Department the primary purpose of this role will be:

- The capture / maintenance of our underground assets on our corporate GIS software (ESRI ArcMap)
- Visiting sites to survey the location of recently laid water mains when required to do so.
- Surveying / auditing using GPS equipment (GPS Trial Pending)
- Quality Assurance and auditing.
- Updating other asset systems as required.

## **Temporary GIS Data Entry Technician**

**12 MONTH CONTRACT / SALARY £15,825 - £18,165**

Also working in the Investment Department we are looking to recruit a Temporary GIS Data Entry Technician for a 12 month Contract. The primary purpose of this role will be:

- To update and maintain datasets on the Corporate GIS ensuring spatial and attribute consistency along with accuracy at all times.
- Quality Assurance and auditing.
- Updating other asset systems as required (full training will be given).

For both of these roles it is essential you are fluent in using Microsoft Word and Excel along with the ability to work efficiently, with good attention to detail and accuracy.

You will need to be self-motivated and have a methodical and accurate approach to work. Commercial experience with ArcMap would be preferred, however, full training can be provided to candidates who can demonstrate a desire for personal development.

You will also possess excellent communication, verbal, written and numerate skills, together with the ability to work at all times in line with our Company values of Excellence, Integrity and Respect. A proactive approach to Health and Safety is essential. You will also need a full UK driving licence and be eligible to work in the UK

Benefits include company pension scheme, support for professional and academic development, 24-28 days annual leave and a profit share scheme through the Company's Employee Owned Trust.

Applicants should send a CV with 2 referees outlining salary expectations. For an informal discussion please contact Diane Bourne on 023 9224 9243.
