

Assistant Mains and Service Layer

SALARY £16,104 TO £20,853

BASIC WORKING WEEK: 36¼ HOURS

BASED AT HAVANT

Do you enjoy working outdoors? Are you looking for a role that offers development opportunities? If so, we are looking to recruit an Assistant Mains and Service Layer required to work on our water distribution network throughout our area of supply. Duties of an Assistant Mains and Service Layer is to work as part of a team and include assisting the Mains and Service Layer to lay new services, repair mains, renew stopcocks and repair services. The successful candidate will also be required to take part in an emergency standby rota once a probation period has been complete.

The successful applicant will, under direction, ensure work is carried out in line with our procedures in full compliance of Health & Safety and the New Roads and Street Works Act along with the ability to work at all times in line with our values of Excellence, Respect and Integrity.

The successful applicant will have a full driving licence, and have both the appropriate New Roads and Street Works qualification and water hygiene card or give an undertaking to successfully complete the provided training to obtain the qualifications. The applicant will be required to undertake a Driver Assessment Test if successful.

In return we offer a range of benefits that include:

- Defined contribution pension scheme
- 24 Days holiday

Sounds interesting? For an informal discussion please contact Darren Brown on 023 9224 9090.

Applicants should send a CV outlining current salary with 2 referees.
