

## **Mains and Service Layer**

**SALARY - £20,853 TO £23,880**

**BASIC WORKING WEEK: 36¼ HOURS**

**BASED IN HAVANT**

Do you enjoy working outside? Are you looking for a role that offers development opportunities? If so, then we are looking to recruit a Mains and Service Layer to work throughout our area of supply. The role of a Mains and Service Layer include the laying of New Services, Mains Repairs, Stopcock Renewals, Service Repairs and to be part of an emergency standby rota.

The successful applicant will play a big part in the team to ensure compliance with company policies, processes and procedures. They must also ensure the health, safety and welfare of all colleagues, the public and themselves at all times, in line with our procedures in full compliance with all H&S and the New Roads and Street Works requirements which is given the highest priority. In addition, these duties must also be carried out at all times in line with our values of Excellence, Integrity and Respect.

The successful applicant will possess the appropriate New Roads and Street Works qualification. A Water Hygiene card is required or they should be able to undertake and successfully complete the training provided to obtain the qualification. A full driving licence is required for this role. The applicant will also be required to undertake a Driver Assessment Test if successful. They will need to be flexible with working hours and will include working weekends when performing standby duties on a regular basis. You will need to prove your work experience in service laying or similar and being able to work unsupervised.

In Return we offer a range of benefits that include:

- Defined contribution pension scheme
- 24 Days holiday

Sounds interesting? For an informal discussion please contact Darren Brown on 023 9224 9090.

Applicants should send a CV outlining current salary with 2 referees.
