# Mains Flushing Operative

**SALARY £16,104 TO £20,853**

**BASED AT HAVANT**

We are looking to recruit a Mains Flushing Operative working in the Distribution Department. The main activity will be to undertake annual flushing of all our mains, hydrants, washouts and keep shut valves as part of our End of Main programme. There will also be a requirement to assist with other Distribution related activities such as reading water meters. The ideal candidate will be able to demonstrate and maintain a high level of accuracy. As part of this role is customer facing, the candidate will be expected to deliver a high standard of customer care. A clean driving licence is essential for this post and the successful candidate will be required to undertake our Driver Assessment.

The ideal candidate will have a positive 'can do' and flexible approach with a high regard to Health and Safety. They will be comfortable working with internal and external customers, have excellent communication skills and work at all times in line with our values of Excellence, Respect and Integrity.

Applicants should send a CV outlining current salary with 2 referees.
