

**Portsmouth
Water**

Environment & Biodiversity Specialist

**SALARY £26,697- £32,721
DEPENDING ON EXPERIENCE**

BASED IN HAVANT

Portsmouth Water is looking for a self- motivated person who is passionate about biodiversity to help deliver our biodiversity action plan, monitor change, manage biodiversity enhancement projects, and give advice to all areas of the business on environmental matters.

The post requires a good level of knowledge of environmental legislation, an ecological / environmental qualification, with experience of ecological survey techniques, habitat enhancement work, project management, planning legislation and budget control. Experience of stakeholder liaison, Environmental Impact Assessment, Habitat Regulation Assessment, catchment management work, and holding any protected species licenses would be an advantage.

The person must be a good communicator who is able to interact with people at all levels in the business, wider stakeholders and deliver presentations to the public. They must have the ability to pick up and lead projects, manage contractors, and have a good awareness of health & safety issues and work at all times in line with our values of Excellence, Respect and Integrity. A clean driving licence is essential for this post and the successful candidate will be required to undertake and pass our Driver Assessment.

For an informal discussion please speak to Tracey Viney on 023 9224 9223.

Apply to: Ian Limb, Head of HR, PO Box 8, Havant, Hants PO9 1LG
