

CAPPAGH

Portsmouth Water & Cappagh

We have recently created a partnership to improve the service we deliver to our customers. As a result Cappagh, a long standing partner, will be delivering the clean water repairs and maintenance.

As a result, Cappagh are looking for a number of roles to deliver this partnership. These roles include Repair & Maintenance Gangs, Supervisors, and Enablers, Street works' co-ordinator, Yardman and Administrator/commercial assistant.

The successful applicants will be motivated, hard working and a team players. They will be committed to delivering outstanding customer service. It goes without saying that you will be accustomed to working safely in everything that you do – it will be one of your key values. We are a vibrant, growing and successful business with a great reputation in the utilities market. We look forward to hearing from you and you hopefully joining us.

Key Responsibilities:

- Work efficiently as a team to repair and install clean water infrastructure

Key Attributes:

- Streetwork's Ticket
- Experience in working on clean water network assets
- Take pride in the delivery of work and never be satisfied with 'good enough'
- Water hygiene card
- Flexibility to work across the geographical area
- Driving Licence

Nice to have:

- Towing Licence
- Mini digger ticket

A full company induction will be provided and Personal Protective Equipment. A drug and alcohol test will be performed at the induction in accordance with Cappagh's policy. Cappagh is an equal opportunities employer.

We can offer you:

- Competitive rates of pay
- Long-term employment opportunity
- Direct employment
- Training and development
- Contributory Pension scheme
