

Network Planner

We are looking to appoint a Network Planner who will be responsible for the planning and organisation of all field activities and associated work diaries within the Network Team.

The role, reporting to the Network Planning Supervisor, will suit someone with experience in managing varying and potentially conflicting priorities. You will need to be a confident and strong communicator at all levels and establish and maintain strong working relationships with internal and external stakeholders.

Responsibilities will include ensuring all network operations are undertaken in an appropriate manner with due consideration and planning. To monitor, review and report on all key activities within your area of responsibility to ensure all internal and external targets are achieved / exceeded. The role will also involve participating in an out of hours standby / support function.

The successful candidate will be self-motivated with the ability to carry out their duties at all times in line with our Company Values of Excellence, Integrity and Respect. They will have a positive energy and be passionate for delivering excellent Customer Service to both external and internal customers encouraging best practise and collaborative working behaviours at all times. In addition, the successful candidate will have a recognised supervisory qualification or be able to give a commitment to obtain such a qualification.

For an informal discussion please contact Liam Horsted on 023 9224 9268.
