

Meter Reader

We are looking to recruit a Meter Reader. The main role of our Meter Readers is to read water meters in our area of supply in an efficient & timely manner. The ideal candidate should be able to demonstrate and maintain a high level of accuracy whilst striking a good balance with productivity. As this is a customer facing role, the candidate will be expected to deliver a high standard of customer care. The area supply the Company extends through South East Hampshire and West Sussex from the River Meon in the West to the River Arun in the East, encompassing 868sq. kilometres.

The ideal candidate will have a positive 'can do' and flexible approach with a high regard to Health and Safety. They will be comfortable working with internal and external customers, working outside in all weathers, comfortable using a handheld device, have excellent communication skills and work at all times in line with our values of excellence, respect and integrity.

A full driving licence is essential and the successful applicant will be required to undertake our driver assessment. A company vehicle is provided for this role.

For an informal discussion please contact Darren Spearman, Network Metering Co-ordinator on 07525 403028.

Salary £20,319 to £22,920 (Grade 2)

8am to 4pm, Monday to Friday
