

Developer Services Advisor

We are looking to appoint a Developer Services Advisor to work within our busy Developer Services Team. We are passionate about delivering exceptional levels of customer service to our Developer customers and are looking for candidates who share this desire.

The role reporting to the Developer Services Supervisor, will suit someone with experience in a customer focused environment, who is comfortable communicating with customers and confident in handling their queries. The role will involve the processing of applications for new water supplies, configuration of invoices for new water connections and administration of New Services through our works management system.

The successful individual must be committed to working, at all times, in line with our values of Excellence, Integrity and Respect, and sustaining our wider teams collaborative relationship.

Key Responsibilities

- Delivering an exceptional level of customer service
- Resolving queries at first point of contact
- Listening to customers, understanding their needs and providing tailored solutions
- Configuration of quotations, processing payments whilst paying attention to detail
- Undertaking back-office administration tasks

Key Attributes

- Being passionate about customer service
- Ability to communicate effectively
- Have a passionate can-do attitude
- Ability to work under pressure in a calm, timely and efficient manner
- Strong IT skills
- Positive proactive approach to Health & Safety

If successful in your application, you will be joining a forward thinking team, which places our customers at the heart of everything we do. You will have the opportunity to influence our service to customers, suggest and implement improvements and develop personal skills.

For an informal discussion, please contact Becky Mariner, Developer Services Supervisor by calling 023 9224 9318 or emailing rebecca.mariner@portsmouthwater.co.uk.
