

Meter Technician

Do you enjoy working outdoors and being part of a team in a varied and challenging role? If so, we have an opportunity in our Network Team for a Meter Technician. Following a period of training relating to water distribution practice, the role will eventually lead the successful applicant to helping us deliver our meter installation and replacement programmes, undertaking new installation surveys fitting and renewing meters. The ideal candidate should be able to demonstrate and maintain a high level of accuracy whilst striking a good balance with productivity working at all times in line with company Health & Safety policies. As this is a customer facing role, the candidate will be expected to deliver a high standard of customer care at all times.

With a 'can do' attitude you will also be confident, assertive and self-motivated in dealing with all types of queries relevant to the role in a calm, timely and efficient manner. The successful candidate will work at all times in line with our values of excellence, respect and integrity. A full driving licence is essential for this post and the successful candidate will be required to undertake our Driver Assessment.

For an informal discussion please contact Ben Sydenham, Network Manager, on 07834 352797.

Salary: £20,319 to £22,920 (Grade 2)
