

# Carpenter and Joiner

We are looking to appoint a multi-skilled person with a carpentry bias.

Operating out of our fully equipped Joiners Workshop, the post will be part of a small maintenance team dealing with reactive and planned maintenance at our Head Office and various outstations within the surrounding area. The successful individual will work at all times in line with our values of Excellence, Respect and Integrity.

The ideal candidate will be a carpenter with the ability to demonstrate skills in a number of allied trades.

The candidate will also need to maintain a high level of accuracy whilst striking a good balance of productivity.

A pro-active approach to Health and Safety is essential along with a full UK driving licence.
