

Network Technician

Do you enjoy working outdoors and being part of a team in a varied and challenging role? If so, we have an opportunity in our Network Department for a Network Technician. Following a period of training relating to water distribution practice, the role will include responsibilities such as the operation of the distribution network, dealing with customer enquiries, identifying maintenance requirements and responding to water supply emergencies.

A requirement of the post holder will be to be part of a standby rota to cover out of hours emergency operations during evenings/weekends.

The ideal candidate should be able to demonstrate and maintain a high level of accuracy whilst striking a good balance with productivity working at all times in line with the Company's approach to Health & Safety. As this is a customer facing role, the candidate will be expected to deliver a high standard of customer care at all times.

With a 'can do' attitude you will also be confident, assertive and self-motivated in dealing with all types of queries in a calm, timely and efficient manner. You'll be working within a great team, outdoors, in all environments, dealing with different challenges every day and providing a vital service to our customers. You should also be able to liaise with other departments and external parties to gather and resolve network and customer issues. The successful candidate will work at all times in line with our values of Excellence, Respect and Integrity.

You will need:

- A valid driving licence. You will be required to take a driving assessment.
- A current street-works ticket (NRSWA) - although training can be provided.
- EUSR hygiene certificate (ideal but not essential).
- A pro active approach to Health and Safety and work at all times in line with our values of excellence, respect and integrity.

In return we offer a range of benefits that include:

- Private pension scheme
- 24-28 Days holiday
- Personal/professional development. You are required to undertake an appropriate Level 3 Diploma in Network.

Sound interesting? For an informal discussion please call Rob Hunt on 07795 280646.

Salary £22,920 - £26,244 (Grade 3)

If applying externally please include your CV and salary expectations.
