

CUSTOMER SERVICES ADVISOR

We're making a difference: Together, we can ensure that there is enough water for everyone, now and in the future.

We are looking to appoint a Customer Services Advisor to work within our busy Customer Services Department.

We are passionate about delivering exceptional levels of Customer Service and are looking for candidates who share this desire. The role involves serving customers over the phone and in writing, responding to requests such as customer moves, processing payments and billing queries. The successful individual will always work in line with our values of Excellence, Future Focus and Integrity. Recent call centre experience is preferable.

Key Responsibilities

- Delivering an exceptional level of customer service
- Use CRM system to process inbound customer contact which could be received via phone, email, letter, customer portal, live chat or any other channels the business makes available to customers
- Resolving queries at first point of contact
- Data entry accuracy – customer details, recording of complaints, account changes
- Processing of some reporting – credit lists, old bank details etc
- Processing technician job results ensuring customer is kept up to date and account updated as required
- Managing tariffs – Social Tariff and WaterSure
- Listening to customers, understanding their needs and providing tailored solutions
- Undertaking some back-office administration tasks
- Managing your own diary
