# OUR RESPONSE TO YOUR COMPLAINT

In responding to a complaint the Company will use its best endeavours to:

- a) provide a satisfactory explanation and advise the customer who to contact within the Company if they are dissatisfied with the response;

**and where appropriate**

- b) apologise and resolve the problem that caused the complaint;

**and**

- c) consider, without the customer having to claim, whether other redress such as a rebate or compensation should be provided having regard to any loss, inconvenience or distress and worry experienced by the customer.

If appropriate a hold is placed on the account whilst a complaint is being processed. This ensures that no further reminders, etc. are issued pending our response to the complaint.

Portsmouth Water have given a commitment to customers to reply in full to a complaint within 5 working days of receiving the complaint.

# COMPENSATION IF YOUR COMPLAINT IS NOT RESPONDED TO IN 10 WORKING DAYS

If the Company fails to meet the requirement to respond to your complaint in 10 working days, as outlined in the Good Service Guarantee you will be entitled to a payment of £30 in the form of a credit against your bill or in certain circumstances by a direct payment into your bank account.

This payment is made automatically by the Company within 10 working days of the Company's failure to meet the standard. If the Company fails to make the automatic £30 payment within 10 days of its becoming due then you can write to claim a further £10 payment.

If you feel you may be entitled to a payment and do not automatically receive it you should contact the Company within 3 months of the relevant incident.

Guaranteed standards not only relate to complaint answering but also other key services, such as minimum pressure standard, interruptions to supply and responding to billing queries. Full details of these standards can be found within our Customer Code of Practice available from Head Office or via our website at [www.portsmouthwater.co.uk](http://www.portsmouthwater.co.uk).
